EPHRAIM BANKS, *Auditor General.*

On Monday afternoon, the Americans of New Jersey held their State Convention at the Washington Hall, South Camden. A letter was read from Joel Haywood, of Ocean county, (in answer to one addressed to him asking him if he would consent to a nomination), stating that he would stand if nominated. A vote was then taken, and Mr Haywood was unanimously nominated a candidate for Governor. Several speeches were made, and the Convention adjourned.

CRIMES.

The jury in the case of Swan, at Hagerstown, were still out, and unable to agree at last advices. The Baltimore American of the 5th says:—There were various rumors afloat as to the position of the jury—some asserting that they stood seven for acquittal and five for conviction and others nine for conviction and three for acquittal. Other rumors were afloat that they were divided on the question as to the degree of murder for which he should be convicted.

The Cincinnati papers state that a motion in arrest of judgment has been made in the case of Kissane and Findlay, convicted of forgery. It is to be heard at the November term of the Warren county Court.

A report prevailed in Cincinnati that Kissane had attempted suicide in the jail at Lebanon, but was prevented by his fellow convict, Findlay.

The house of Chas. Millard, at Cincinnati, was attacked by a mob of Irishmen on Saturday night last. Millard was an important witness in the Kissane case. He fled from the house and was pursued by the mob, but escaped.

SLAVERY.

The Washington Star states that the Secretary of the Interior received a dispatch on Monday from Marshal Wynkoop, of the Eastern District of Penna., informing him that three of his deputies were about being arrested at Wilkesbarre, on the charge of violating a State law, in endeavoring to execute a warrant from Mr. Justice Grier, of the Supreme Court of the United States, commanding him to arrest William Thomas, a negro, claimed by Isham Keith, of Fauquier county, Virginia, as his runaway slave. Secretary McClelland authorized him to secure all necessary counsel for their defence, assuring him that the Department and the whole Government are determined, at all hazards and at any cost, to carry out the provisions of the law of September 18th, 1850.

The Baltimore American says that a negro who absconded from Mr. William I. Foard, of Queen Anne's co., some six or seven years ago, was arrested at a public sale in Talbot county, a few days ago. He had been living in Kent, Caroline, and Talbot counties during his entire absence as a free man.

LAKE SUPERIOR NEWS.

The Saint Ste. Marie Journal, of Sept. 24th, has the following items:

The Canal is progressing with energy. The excavation in the upper lock pit, to prepare it for the timber and stone work was completed, and that of the lower lock pit is approaching completion.

The Journal announces the arrival of 30 tons of copper from the Minnesota, 8 tons from the Foust, 5729 lbs. from the Phoenix, and 15¼ tons from the Copper Falls Mines; also 22¼ tons of Iron from the Sharon Company's Works at Marquette, and 539 blooms from the Cleveland Company's Works.

The Superintendent of the Fulton Mine had arrived with 5200 lbs. of copper, the product of 40 days mining.

Messrs. Smith and Middany, of the Indian Agency, have gone to La Pointe to collect the Chippewa Indians and receive their payments.

A number of new mines had been opened by the River and Copper Harbor.

by Rev. A. Wiberg, of Sweden.

Rum Statistics Continued.—In the Register of yesterday we gave the number of taverns and beer shops in the city and county; also, the amount of revenue (\$99,760,00) accruing to the State therefrom. To enable tax-payers of the city and county to understand the subject fully, we have presented below the annual cost of keeping the prisoners, Alms-house, House of Refuge, &c. The number of persons committed to the County Prison in 1851, was 11,004

The loan per act of April 20, 1846, for the construction of the out-let lock at Wells' Falls, (originally \$20,000, and now reduced to \$3,000,) is not embraced in the foregoing table, for the reason that the faith of the Commonwealth is not pledged for its redemption. It is payable out of a fund arising from tolls on boats passing through said lock, and in that fund there was, on the 1st of December, 1853, applicable to a further payment of the principal and interest of said loan, the sum of \$4,901 53.

The balance remaining unpaid of the temporary loans, authorized per act of April 19, 1853,—viz. \$590,000—is not included in the above statement, as they are re-imburseable as rapidly as the means of the Treasury will permit.

The loans over-due, as well as those becoming due, may be thus stated:
